Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 12 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers and heavy rain for tonight.

This Evening and Tonight:
Any showers will fade away this evening. Cloud will build across Wales from the south this evening and overnight with spells of rain expected across south and mid-Wales. Staying dry elsewhere. Minimum temperature 6 deg C (43 deg F).

Thursday:
Rain will ease across south and mid-Wales through the morning. Scattered showers will then develop across the country through the afternoon, and these may be heavy at times. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Mostly cloudy with scattered showers and sunny spells on Friday. A band of rain breaking up into showers on Saturday, followed by further sunshine and showers on Sunday. Light winds.
